

GRAPPLINGUK

Welcome to GrapplingUK

MOVE ON

Grappling UK is a new concept, for over 50 years I have been involved in Martial Art and Combat Disciplines mainly grappling styles like Judo, Olympic Wrestling and Sombo/Sambo but I have also tried many other styles. I now run 3 different organisations International Budo Federation UK, Pankration UK and British CombatSombo Association plus I am Founder and President of the British Sombo Federation the government recognised body for Sombo/Sambo. So I have plenty of experience in organising events.

Over the last few years there has been a upsurge in Grappling with many groups popping up all over the UK, the difference with these groups of Grapplers as opposed to Martial Arts Players they were not interested in Grading, Martial arts Philosophy etc they just wanted to grapple so why bother with an organisation they wanted to do their own thing. Well I think I can help.

GrapplingUK can offer you Insurance cover Personal Accident Cover Member to Member plus offer you competition, course in many styles of grappling all for just £26 per annum and we can arrange Public Liability Insurance for your Club and Professional Indemnity for your Coaches.
